Oxford's unrivalled reference works available online
Comprehensive information you know you can trust
An indispensable electronic library accessible from your desktop

The very best in reference... now online

Oxford Reference Online brings together Oxford's renowned reference works into a single cross-searchable resource

The **Core Collection**, the first database to be available as part of **Oxford Reference Online**, includes a broad selection of 100 dictionary and reference titles across the full subject spectrum.

Containing over 1.5 million dictionary definitions, facts, figures, people, places, dates, and quotations, **Oxford Reference Online: The Core Collection** is unique in offering integrated, consistent content from the humanities and social sciences to science and medicine.

A vast online library...

The range and volume of information included in **Oxford Reference Online** is enormous – everything from English and bilingual dictionaries to dictionaries of quotations, etymology and euphemisms, and from dictionaries of politics and physics to superstitions and saints.

This means that, as well as providing a quick and easy way to find answers to everyday questions, **Oxford Reference Online** will prove to be an invaluable starting point for further research.

Search options to suit everyone...

Oxford Reference Online offers a wide choice of search options to suit all research needs and levels of experience. Everything from simple “quick searches” to the most sophisticated “advanced searches” can be done with speed and ease.

Designed by users for users...

Oxford Reference Online has been developed in partnership with a wide range of librarians, academics, teachers, and students in many countries, to ensure that it meets the needs of users in terms of content, design, and functionality.

The result is that searching for information, whether it is a quick definition or a detailed explanation of a complex term, is both quick and easy.

Information you can trust...

Oxford has an unrivalled international reputation for the authority and reliability of its publishing programme. Every work has to be approved by experts, and all undergo quality checking by Oxford's experienced team of editors. So you can always rely on **Oxford Reference Online** to provide you with the most accurate and authoritative information available.

An expanding and regularly updated resource...

Oxford is one of the world's biggest reference publishers, and **Oxford Reference Online** will reap the benefits of a full publishing programme of authoritative language and subject dictionaries, with new works added every year. New editions of works already available on the service will also be added.

www.oxfordreference.com

OXFORD REFERENCE ONLINE – The Core Collection

- Desktop access to 100 key Oxford dictionaries and reference works
- Comprehensive coverage of over 20 broad subject areas enables you to explore words and ideas from a variety of different perspectives at once
- Top quality reference material from internationally-renowned authors and editors brought to you by “*the world’s most respected reference publisher*” (Booklist)
- A **Quick Search** option is available from every web page
- Use **Advanced Search** to outline your search in greater detail
 - Choose **Boolean Search** to find all references to *Cubism* except those featuring *Picasso*
 - Using **Extended Search**, a search for *state* will also find *land, nation, province, states, etc*
 - A **Spellcheck Search** enables you to find misspelled words or words with a similar spelling – for example *liason* will find *liaison*
 - Specify your search further by using the **Date** or **People Filters**
- Search results can be ordered and refined in numerous ways – by relevance, by size of entry, by subject, by book title or alphabetically
- You can search the database as a whole, or restrict your search to one or more subjects, or to one or more individual books
- Follow-up cross-references at the touch of a button
- Over 1000 high-quality carefully-researched and well-maintained web links mean that you can find additional sources of information with speed and ease
- An expanding and regularly updated resource with new and revised titles added every year
- Extensive online Help plus excellent support
